

Four key challenges will define the future of home health, hospice, & palliative care

Turn these challenges into opportunities with WellSky – the total agency solution that brings together software, analytics, and services to transform home-based care.

WellSky is uniquely positioned to support your success and growth

CHALLENGE #1: Finding & keeping great staff

The WellSky effect

YOUR OPPORTUNITY

Create a competitive advantage in staffing

WELLSKY'S APPROACH

With **intuitive workflows and connectivity**, WellSky allows your team to do more with less. Interoperability across care disciplines allows clinicians to communicate faster and deliver the **right care at the right time**. **Education services** empower you with the tools needed to build a high-performing team.

16.7%

average reduction in clinical staff turnover in the first year using WellSky

CHALLENGE #2: Driving operational excellence

The WellSky effect

YOUR OPPORTUNITY

Increase & scale operational efficiency

WELLSKY'S APPROACH

Improve documentation efficiency with **streamlined processes** and workflows. Improve billing accuracy and timeliness with **centralized financial management** and reporting. Maximize your resources with expert **billing, coding, CAHPS, and consulting services** that help reduce administrative burdens.

59%

average improvement in documentation efficiency in the first year using WellSky

CHALLENGE #3: Delivering better patient care

The WellSky effect

YOUR OPPORTUNITY

Outperform market in quality ratings

WELLSKY'S APPROACH

Advanced predictive insights give you the right data to prioritize high-risk patients in real time. Care setting suitability analytics and hospitalization risk, mortality risk, and revocation risk predictions empower you to deliver better care and improve outcomes.

11.5%

better performance on hospitalization rates for agencies using WellSky CareInsights

CHALLENGE #4: Expanding referral & payer relationships

The WellSky effect

YOUR OPPORTUNITY

Grow your census & revenue

WELLSKY'S APPROACH

WellSky's **interoperable solutions** support transitions to and from other care settings, accelerating growth through referral management.

7.7%

median census growth in a single year
